

Undersea World Services has been maintaining aquariums in and around Detroit since 1985 and currently provides periodic service on approximately 300 systems.

We are looking to hire and train service technicians who can assist in the maintenance of our accounts. We provide all training and equipment and offer flexible hours. Applicants must have integrity, an insured and reliable car, a good driving record, a cellphone, good people skills, solid references, be able to pass a police background check and drug test, and have a teachable disposition.

We are looking to train someone for a 20-25 hour/week position. Training begins at \$15/hour plus mileage with merit increases.

Please contact Jon Eby at:
(248)788-2800 with questions or to schedule an interview.

VFW Post 2645 ★ 24222 West 9 Mile Road ★ Southfield, MI 48033 ★ 248-971-5844
